Re: Approval of Extension Request, Lakeview Rock Products, Inc., Beck Street Quarry, M/035/020,
Salt Lake County, Utah

Dear Mr. Larsen:

On June 9, 2003, the Division received your letter requesting an additional 45 to 60 day extension of our deadline for response to the initial review of Lakeview's Beck Street Quarry permit application. You stated that this delay would be necessary in order to complete a development agreement with Salt Lake City. Because we realize that this agreement will become an integral part of Lakeview's reclamation plan, *the Division grants your request for an extension.*

Please provide the information requested in our initial review letter within 60 days or by August 19, 2003

If you have any questions, please call me at (801) 538-5286 or Doug Jensen at (801) 538-5382.

Sincerely,

DWH
